

## THE SECRET

The room you enter is illuminated with a column of blue-white light, emanating from a crack in the floor.

Suspended in the light is an X shaped cross and manacled to it is a figure.

As you get closer, you see the figure is that of a dessicated male Elf. As you approach the elf opens his eyes they glow with the same light and as he speaks light comes out of his mouth.

He says in a rhaspy voice, ' I ammm, Kar-Ek, Help Meee!

' They usse mee to harm the treeesss.'

' You musst killl mee, Telll mmy king, i'mm sorryyy. '

As you cut the restraints he falls from the cross, as he lands his body starts to decay.

He screams, a scream that is cut short as you remove his head.

The body decays to nothing.

You return to the forest to report your findings.
